

# Early Career Investigator Award 2017

**DEADLINE 30<sup>th</sup> NOVEMBER 2016**

This award is made in recognition of leading contributions to toxicology by Early Career Investigators (within 10 years of PhD).

---

## Eligibility

- No more than 10 years postdoctoral (or 14 years postgraduate) experience by January 1<sup>st</sup> 2017
  - Current member of the British Toxicological Society
- 

## Nomination for the award must include the following:

- A full CV
  - Four recent and scientifically relevant publications where the applicant has a first or senior author position
  - A description (up to 1000 words) of the candidates achievements to date
  - A letter of recommendation from the Head of Department or another Senior Toxicologist
- 

The winner must be available to present their work at the 2017 BTS Annual Congress - April 3-5 2017. Following the presentation the winner will receive a £250 cheque and a commemorative certificate. The winner will be invited to submit a paper for publication in the Society's journal *Toxicology Research*. Registration for the Congress will be waived, travel and accommodation allowances provided.

---

Applications should be submitted to the BTS Secretariat by 30th November 2016. Applications will be considered by the Scientific Sub-Committee (SSC) in December and the winner informed after ratification by the Executive Committee in January 2017. There will be a single award annually. The winner will be notified by the Chair of the SSC after the meeting of the Executive committee in January 2017.
